RESPONSE TO NOTICE TO COMPLY

Hon. Commissioner of Patents  
and Trademarks  
Washington, DC 20231

Sir:

This is in response to the Notice to Comply dated  
April 18, 2001, in the above. Kindly amend this  
application as follows.

IN THE SPECIFICATION:

Please replace the paragraph beginning at page 4, line  
26, with the following rewritten paragraph:

BI  
An alternative approach has been to mutate the Fc sequence  
to substitute residues crucial for function. Certain  
target residues have been identified and published (see  
review by Clark 1997, *supra*). These include the N-linked
